When Darkness Falls: The Trilogy

Christians, how well do you understand the religion to which you have dedicated your life? How well do you understand the book that it is based upon? In Christianity Exposed, Dr. Solomon Tulbure explains why most Christian beliefs are unbiblical, and that modern Christianity follows the teachings of Paul, not Jesus. Then he goes beyond that to show why Jesus' teachings are not worthy of our attention and why an alternative to religion is needed.

Excerpts from Chapter 5: “Jesus said he was the Son of God as are all Jews and Israelites. Jesus wanted to get across to people that he was doing God's will Also remember that Jesus had quoted 'The
Shema in Mark 12:29 affirming the oneness of God as all religious Jews did and do. See Deuteronomy 6:4. Furthermore, because he denied that he committed blasphemy, and used the Psalms to express what he meant, together with quoting The Shema, this point becomes crystal clear. Jesus never identifies himself as 'God the Son.' Keep in mind that there is a big difference between 'God the Son' and 'Son of God.'

Excerpt from Chapter 9: "So the claim that the plural is proof of the trinity is unfounded. If God were a trinity, he would have said so clearly, seeing how he is so concerned that humans know him well. He would have said, 'I am the Lord, your triune God.' But it is nowhere to be found in the Bible, nor in the New Testament."

Eliot, this book elucidates the responsibilities and opportunities for a poet who is also Christian. This book is the second in a trilogy which includes T.S. Eliot, Lancelot Andrewes, and the Word.

People have honest doubts and questions about God that deserve solid answers. How do we explain the Gospel of Jesus Christ in a way we can all understand? Ray Pritchard has updated this best-selling presentation of the gospel in a clear, straightforward way using simple language and clear Scripture references. An Anchor for the Soul is written with doubters, seekers, and skeptics in mind. In a clear, straightforward presentation, he answers questions such as: What is God like? How can I know Him? Who is Jesus and what did He do? What does it mean to be a Christian? Through stories and illustrations, Pastor Pritchard very personally, yet gently, challenges his readers with the Good News of Jesus Christ.

Valley of Dry Bones Live Again, Rebuilding the Walls of Your Torn Down Life
The first comprehensive biography of Elihu Palmer tells the life story of a freethinker who was at the heart of the early United States’ protracted contest over religious freedom and free speech. When the United States was new, a lapsed minister named Elihu Palmer shared with his fellow Americans the radical idea that virtue required no religious foundation. A better source for morality, he said, could be found in the natural world: the interconnected web of life that inspired compassion for all living things. Religions that deny these universal connections should be discarded, he insisted. For this, his Christian critics denounced him as a heretic whose ideas endangered the country. Although his publications and speaking tours made him one of the most infamous American freethinkers in his day, Elihu Palmer has been largely forgotten. No cache of his personal papers exists and his book has been long out of print. Yet his story merits telling, Kirsten Fischer argues, and not only for the dramatic account of a man who lost his eyesight before the age of thirty and still became a book author, newspaper editor, and itinerant public speaker. Even more intriguing is his encounter with a cosmology that envisioned the universe as interconnected, alive with sensation, and everywhere infused with a divine life force. Palmer’s “heresy” tested the nation’s recently proclaimed commitment to freedom of religion and of speech. In this he was not alone. Fischer reveals that Palmer engaged in person and in print with an array of freethinkers—some famous, others now obscure. The flourishing of diverse religious opinion struck some of his contemporaries as foundational to a healthy democracy while others believed that only a strong Christian faith could support democratic self-governance. This first comprehensive biography of Palmer draws on extensive archival research to tell the life story of a freethinker who was at the heart of the new nation’s protracted contest over religious freedom and free speech—a debate that continues to resonate today.

T.S. Eliot: The Poet as Christian

“Oliver Hart was arguably the most important evangelical leader of the pre-revolutionary South. For thirty years the pastor of the Charleston Baptist Church, Hart’s energetic ministry breathed new life into that congregation and the struggling Baptist cause in the region. As the founder of the Charleston Baptist
Association, Hart did more than any single figure to lay the foundations for the institutional life of the Baptist South, while also working extensively with evangelicals of all denominations to spread the revivalism of the Great Awakening across the lower South. One reason for Hart's extensive influence is the uneasy compromise he made with white Southern culture, most apparent in his willingness to sanctify the institution of slavery rather than to challenge as his more radical evangelical predecessors had done. While this capitulation gained Hart and his fellow Baptists access to Southern culture, it would also sow the seeds of disunion in the larger American denomination Hart worked so hard to construct. Oliver Hart and the Rise of Baptist America, Eric C. Smith has written the first modern biography of Oliver Hart, while at the same time interweaving the story of the remarkable transformation of America's Baptists across the long eighteenth century. It provides perhaps the most complete narrative of the early development of one of America's largest, most influential, and most understudied religious groups"--

What makes “Heart / Land” both rewarding and challenging are the contrasting landscapes (ranging from the Guyana rainforest through Caribbean islands to the islets of the Bermuda atoll ) and the poems’ frank celebration of the diversity of language and life of the Caribbean / South American world. The poems move, in a variety of poetic styles, between the threat of global disaster (“Leaf,” “Summit”) and the healing nature of landscape and love (“Fall,” “Saint Lucy,” “Mother/Nature”). The complex scenarios of life from childhood to adulthood and old age are all sketched within the challenging embrace of their landscapes.

When Darkness Falls

For nearly two decades, newspapers and TV newscasts around the world were filled with disturbing images from the Vietnam War. During those turbulent years from 1958 to 1974, John and Jo Newman served as
missionaries in the Central Highlands of Vietnam. Despite wartime dangers, natural disasters, and political turmoil, they persevered in their work of sharing the good news of Jesus Christ which the mountain people said was "delicious on their ears." This is the extraordinary story of how the Newmans' love for the mountain people would propel them into a lifetime of dedication to the people of Vietnam—a story of adventure, sacrifice, heartbreak, and courage. Author Marty Robinette currently serves as assistant principal at North Central High School in Spokane, Washington. Previously he was a history teacher and dean of students at Spokane's Lewis and Clark High School. He has been married to his high school sweetheart, Jody, since 1975, and they have three grown children. Marty met John Newman in 1973 while attending Beacon Chapel in Spokane, where he later served as youth pastor for three years. He and John became fast friends, and when John "retired," Marty felt compelled to pen his story. www.onechallenge.org

Our Earth is a garden, to be poetically praised and appreciated, but it is also a vulnerable garden, being abused by our ignorance and greed. These poems and pictures celebrate the beauty our Garden Earth, and warn against our wanton destruction of our Mother, the Earth.

This Garden Earth

This sweeping history of popular religion in eighteenth-century New England examines the experiences of ordinary people living through extraordinary times. Drawing on an unprecedented quantity of letters, diaries, and testimonies, Douglas Winiarski recovers the pervasive and vigorous lay piety of the early eighteenth century. George Whitefield's preaching tour of 1740 called into question the fundamental assumptions of this thriving religious culture. Incited by Whitefield and fascinated by miraculous gifts of the Holy Spirit—visions, bodily fits, and sudden conversions—countless New Englanders broke ranks with family, neighbors, and ministers who dismissed their religious experiences as delusive enthusiasm. These new converts, the progenitors of today's evangelical movement, bitterly assaulted the Congregational establishment. The 1740s and 1750s were the dark night of the New England soul, as men and women groped toward a restructured religious order. Conflict transformed inclusive parishes into exclusive networks of combative spiritual
seekers. Then as now, evangelicalism emboldened ordinary people to question traditional authorities. Their challenge shattered whole communities.

The Daftgam Legacy

A shadow falls in a land shrouded in mist and forgotten by time, a land remembered in myth and story. For Aaron, life in Jericho was simple and his life was as close to perfect as he could imagine it. He loved the forest that surrounded his home and while the labor that came along with living in a farming community was hard, it was easily worth the friendships he had. At least until his world was upturned. With the arrival of mysterious black cloaked riders from the desert his life is suddenly boiled down into one horrible choice: servitude or death. In an instant, Aaron's world is thrown into chaos as he finds himself entangled in a conflict that wants to engulf his world. As the conflict grows, Aaron finds himself as the improbable centerpiece of a war that threatens to consume all in its path. With battle lines being drawn and dark omens clouding his future, Aaron is thrust into a complicated world of monsters and magic that will lead him to question everything he has ever known. As the shadow of evil spreads, he finds that he is no longer able to tell, will he be the one who saves or destroys this world?

Oliver Hart and the Rise of Baptist America

In his need to expose the land issue in Africa after the colonial rule, Zachariah Marisian steps up to tell an African story, WA\LK. Zachariah Marisian takes the events at the village of Ebukubo as his case study. Two families, Arunga and Rael, fight over the ownership of a piece of land. Arunga is a man that has some money to bribe around. From the assistant chief, the village elders, the religious leaders, the public prosecutor, the judges and even the witch doctors come in handy in Arunga's quest to hold on to a piece of land not his. The protagonist, Rael, has only one weapon, the truth. Will the truth suffice to sooth the corrupt system and people that are afraid to condemn lies? When money and the use of black magic become insufficient, Arunga chooses pragmatic route. To put to an end Rael's claim over her piece of land, he kills her family. Arunga's will is done! He should rest easy as a victor, right? Black magic is rampant in the village of Ebukubo, despite many claiming to be educated in the white man's ways and being staunch Christians. The truth is frowned
upon, fear to call out the wicked is palpable and blood money is blessed. Who will save the village of Ebukubo
from the evil men that have tentacles firmly gripping the village affairs? The wicked will live to regret. Their
day of reckoning is well set. One by one, they will be hunted to give their dues. The annihilation of Rael's
family invites to the village somethingsinister. Death will come calling all that participated in killing Rael's
family. What will be the ultimate end to Arunga and his progeny?

"The prophet who has a dream let him tell a dream and he, who has My Word, let him speak My Word
faithfully." (Jeremiah 23:28) The Word of the LORD God came to me in a dream the first time in 1982, and I
was told to proclaim the coming of the Son of Man for seventeen years. My full testimony, biography, and the
lessons God had taught me throughout those years are written in the book "The Witness to the Coming of
Jesus Christ," published in 1999. The LORD God spoke to me a second time in a dream and said, "TELL MY
COVENANT PEOPLE THEY WILL NOT BE HARMED!" The third time, the Messiah had come. He awakened
me from a deep sleep and released the Seventh Seal. These three prophetic events were given to make
known, to the church and the world, our current position in Biblical Prophecy. The LORD God has also led me
through a series of events which revealed that the invisible Kingdom of the Son of Man had come. Although it
is concealed, the Messiah revealed it two-thousand years ago through many parables in the Holy Bible. Now,
I have been called to reveal its existence so that others may prepare to enter into it. Further studies will
